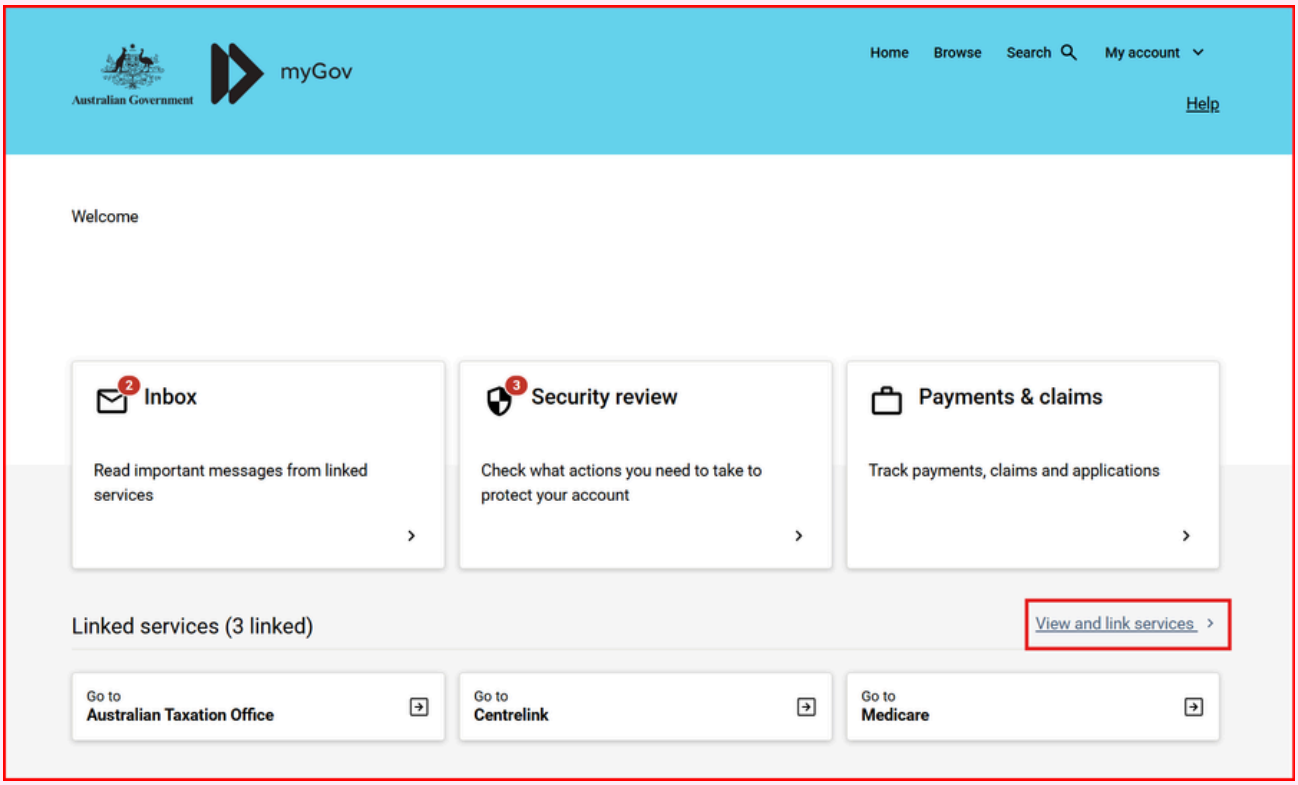
How to Link the Australian Taxation Office (ATO) to MyGov

Step 1: Log in to MyGov

Log in to your MyGov account.

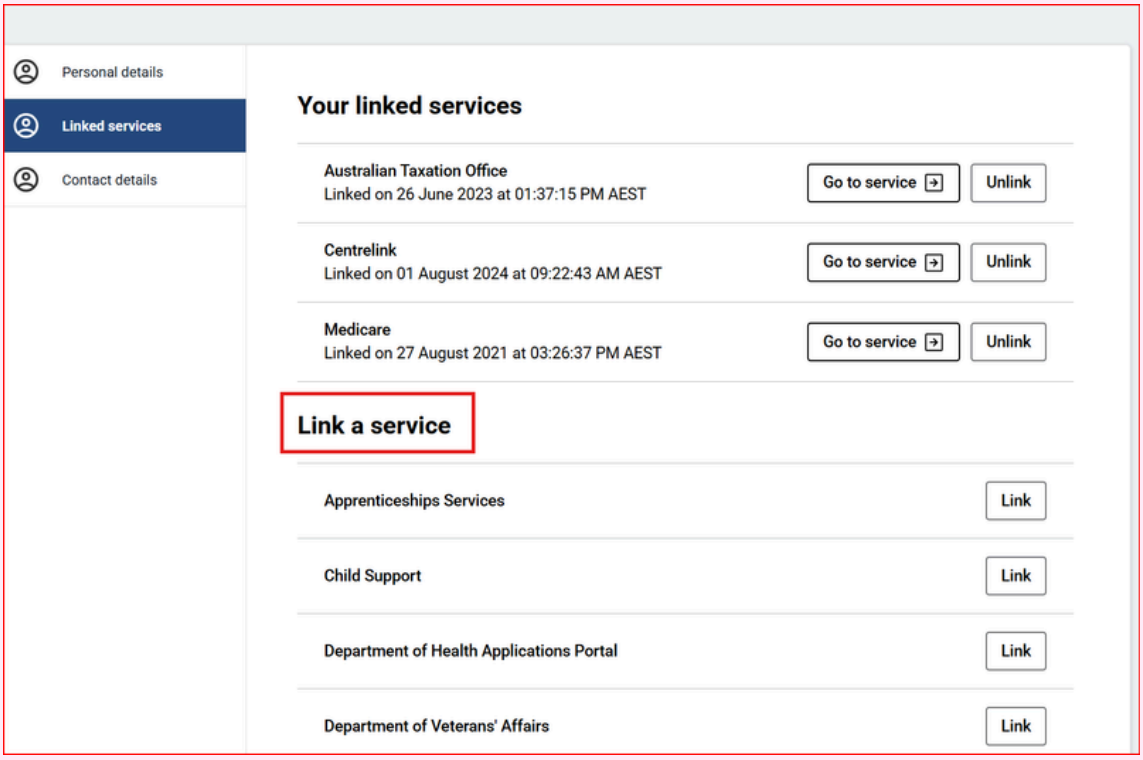
On the home page, look for Linked Services. If you do not see Australian Taxation Office listed, click View and link services.



Click View and link services to manage your linked government services.

Step 2: Locate the Australian Taxation Office Service

On the Linked Services page, scroll down to the Link a service section. Find Australian Taxation Office in the list of available services.



Locate Australian Taxation Office and click the Link button

Step 3: Complete the Linking Process

Follow the prompts provided by MyGov to verify your identity and complete the linking process.

Step 4: Confirm the Service Has Been Linked

Once completed, Australian Taxation Office will appear under your Linked Services list.

You can now access ATO Online Services directly through MyGov.
