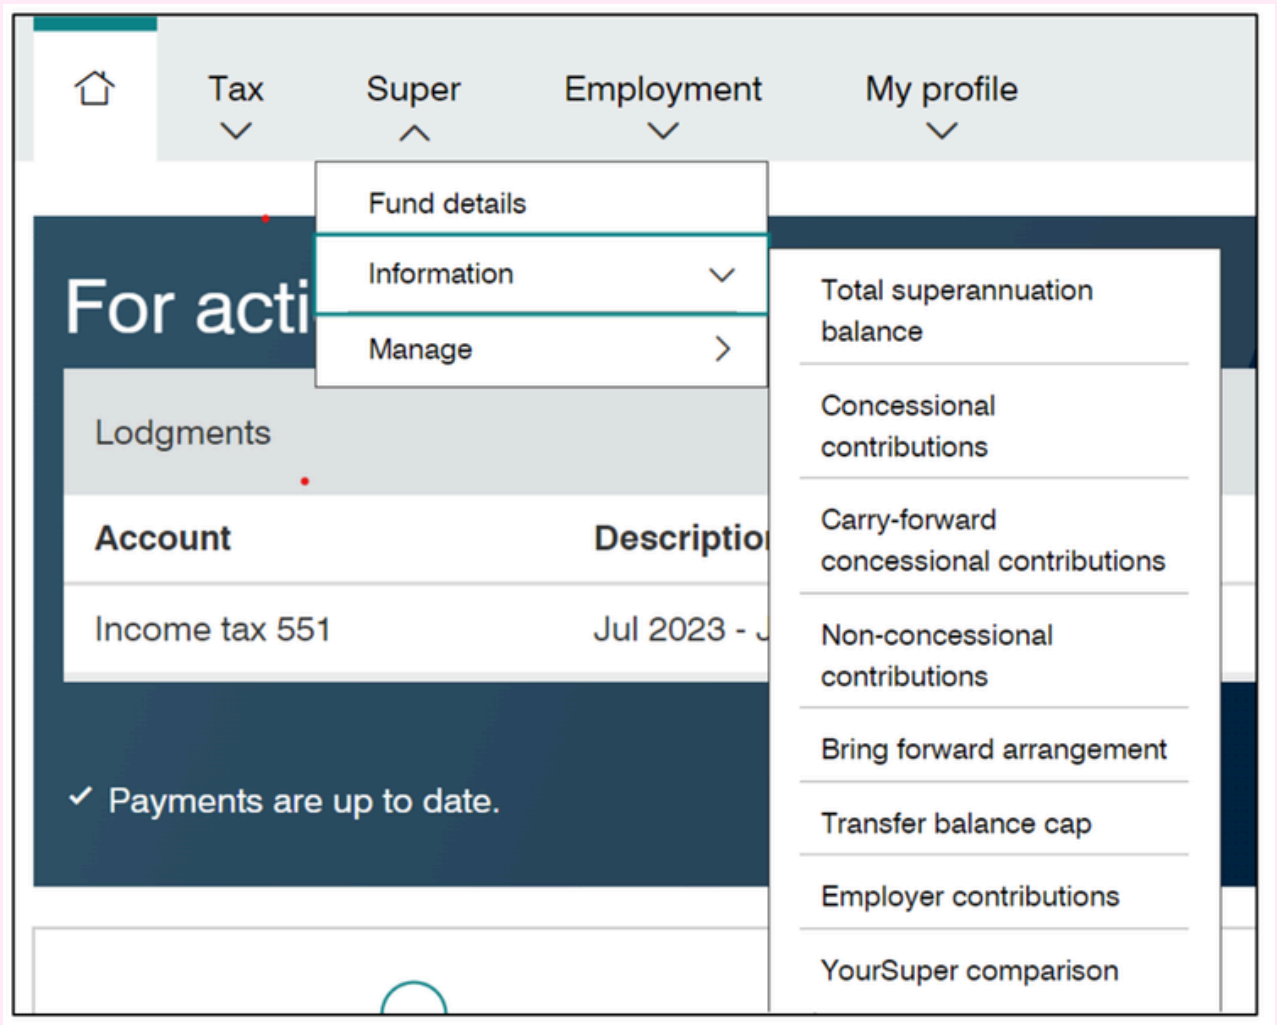
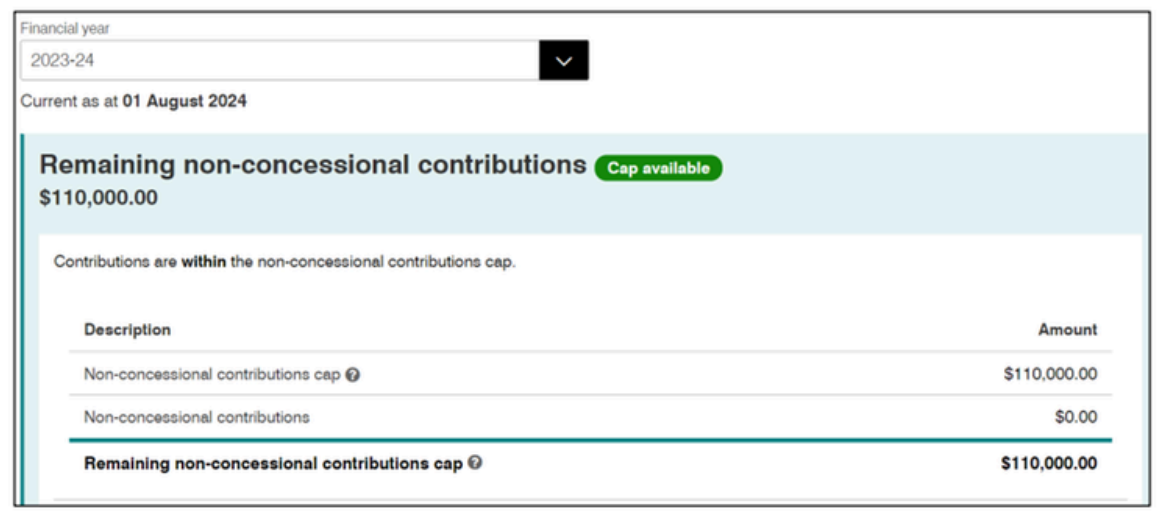
Non Concessional Contribution report

You can access your 'non-concessional' superannuation contribution history through your MyGov portal. Upon logging into your MyGov portal, select ATO and from there you can access your history of superannuation contributions that ATO have reported on file.
Provided below are screen shots to guide you through to the right section of the ATO online service portal and to allow you to generate a report of historical contributions.

1. Firstly, log in to the ATO online services portal, click on the '*Super*' tab, then '*Information*' and then '*Non-concessional contributions*'



2. Here you can view your non-concessional contributions and remaining non-concessional contributions cap for the current and previous financial years.



3. Please take a screenshot or create a report to show this information for the current financial year and the previous 5 years.
