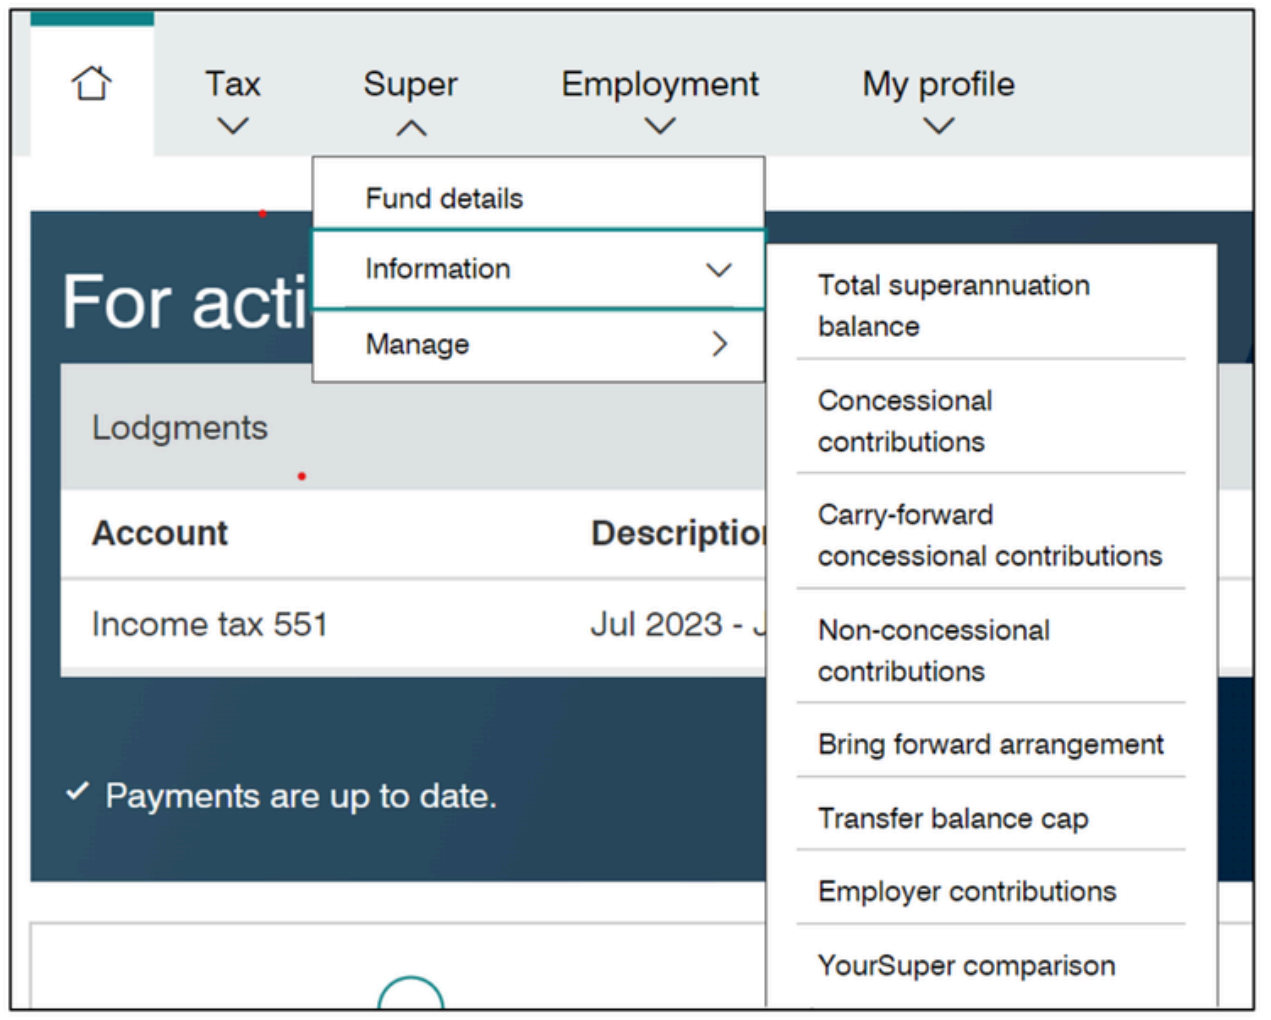
Unused Concessional Contribution report

You can access your 'unused concessional' superannuation contribution history through your MyGov portal. Upon logging into your MyGov portal, select ATO and from there you can access your history of superannuation contributions that ATO have reported on file.
Provided below are screen shots to guide you through to the right section of the ATO online service portal and to allow you to generate a report of historical contributions.

1. Firstly, if you log in to the ATO online services portal, click on the '***Super'*** tab, then '***Information***' and then '***Carry-forward concessional contributions***'....



2. Here you can view your overall eligible unused concessional cap amounts for the last 5 years, as per the example below....
